**STATEMENT OF FAITH**

The training and schooling of children is essentially spiritual in nature. In order for the school to serve well as an extension of your home, it is important that the home and school understand one another’s theological perspectives. Although teachers at Augustine School subscribe to historic Protestant principles as defined in the school’s confessional guidelines (see Parent/Student Handbook), they also seek to serve the needs of families from all Christian traditions. We would ask that you help us get to know you better, by responding to the following questions. Please indicate which parent is writing.

If you stood before God today and were asked, “Why should I allow you into heaven?”, what would you say? \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

How do you, as Christian parents, train your child(ren) to pursue truth? Where should they turn? \_\_\_\_\_

Please refer to the **Admissions Checklist** in the upper right corner for the next steps in the admissions.

When the application has been processed, we will call to arrange the final steps of the admission process: administering of a grade-level placement test, schedule a time for the child (ren) to spend time in an Augustine School classroom during the academic day (Kindergarten recommended, required first grade and up) and schedule a Parent Interview (see Parent/Student Handbook).

Augustine School does not discriminate against any student or family on the basis of sex, race, color, national and ethnic origin, or denominational affiliation (although it is expected that at least one parent be a professing Christian).

We may require further testing beyond the initial placement test and screening. We will notify you if it is necessary.
